Brow Henna is a organic naturally based product with over 99% of the ingredients coming from plants. No peroxides or ammonia are added to this product. Brow Henna contains Henna Plant and may contain some of the following essential oils: Cajaput, Cademom, Clove, Cypress, Eucalyptus, Lavender, Niaouli, Palma Rosa, Patchouli, Rose Geranium, and Tea Tree. Henna may include the following: Orange Juice, Lemon Juice, Sage, Wild Cherry Powder, black walnut powder, basil, nutmeg, cinnamon, indigo, cassia, buxus dioica, amla, olive oil. Coconut oil and beet powder. Brow Henna does NOT contain the black chemical P.P.D. (Para phenylene Diamine).

- _____ I am not to my knowledge allergic to any of these above listed ingredients.
- _____ I understand and acknowledge that I should avoid Henna if I have G6PD deficiency, been advised to avoid Fava beans, Quinine, are extremely anemic, have serious citrus allergies or essential oil allergies.
- _____ I realize that my Henna Brow procedure is temporary and will potentially be staining my skin for 7-14 days and will start to fade as soon as 24 hours after procedure is complete.
- _____ I realize that my Henna Brow procedure will be tinting my eyebrow hair up to 6 weeks.
- _____ I understand that results vary with everyone. Overall skin conditions and aftercare will ultimately affect the retention of the Brow Henna results.
- _____ Client can request that a patch test is performed ascertain potential allergic reaction to the henna products. Pigments being used have a low probability of allergic reaction but cannot absolutely rule out the possibility of allergic reaction. The efficacy of a patch test has been discussed with the client. By initialing here _____ the client DOES request a patch test. Client holds Lash Up harmless and absolves all liability resulting from allergic reactions to henna products.
- _____ Lash Up utilizes sterilized and/ or disposable equipment to minimize the risk of infection or contamination.
- _____ While the risk of infection from our procedures is extremely small, the possibility of such an occurrence cannot be totally precluded. Accordingly, client understands and accepts this risk and releases Lash Up from any and all liability related to the subject procedure, expecting instances involving gross negligence.
- _____ I certify this form has been fully explained to me and that I have read it or it has been read to me. I understand its contents. I understand I will not be disbursed a refund due to poor henna retention.
